

DISTRICT COURT OF GUAM  
TERRITORY OF GUAM

37

UNITED STATES OF AMERICA,

Civil Case No. 02-00035

Plaintiff,

vs.

GUAM WATERWORKS AUTHORITY and  
GOVERNMENT OF GUAM,

ORDER

Defendants.

On December 20, 2002, the United States of America filed a civil action seeking injunctive relief and the assessment of civil penalties against the defendant, the Guam Waterworks Authority under the Clean Water Act, 33 U.S.C. §§ 1251-1387 ("CWA") and the Safe Drinking Water Act, 42 U.S.C. §§ 300f-300j-26 ("SDWA"). The defendant, the Government of Guam was joined as a statutory defendant in this action pursuant to CWA, 33 U.S.C. § 309(e), 33 U.S.C. § 1319(e). After months of negotiations, the parties were able to reach an agreement on the terms of a Stipulated Order for Preliminary Relief ("Stipulated Order"), which the United States lodged with the Court on May 21, 2003. On June 5, 2003, the Court approved and entered the Stipulated Order submitted by the parties.

On June 12, 2004, the parties filed a Stipulated Motion to Suspend Requirement of Submitting Scheduling Order and to Stay Litigation. Despite the motion requesting the Court stay the proceedings, the Court finds that this matter should be closed for statistical purposes. The Stipulated Order includes a set of schedules requiring GWA to implement a broad range of

1 measures and is controlling. There is no need to keep this case open to monitor the progress when  
2 the parties are capable of ensuring that there is compliance with the terms of the Stipulated Order.  
3 Should any party be concerned over an issue, they may request this Court's assistance and the Court  
4 can re-open the case to address the matter as well as to enforce any term of the Stipulated Order.  
5 Otherwise the Court expects the parties to work together and adhere to the terms of the Stipulated  
6 Order.
